

BETTER BUSINESS? YOU GOT IT

Introducing the Spark Affiliates Programme

Every business wants to be at their best. And sometimes extra help can go a long way. From fixing tech issues over the phone, to regular check-ins, the Spark Affiliates Programme can help keep things running smoothly, so it's business as usual.

What can you expect?

Proactive and regular check-ins, over the phone or in person.

Info on the latest technology, so you're in the know.

A dedicated Service Desk, over the phone or email.

No waiting on hold - you'll jump any call queue.

Get help right away

If time is money in your business, you'll want help right away. And with the Spark Affiliates Programme, that's exactly what you'll get.

We even have a Dedicated Solutions Specialist to get all your tech needs sorted.

Call us on:

0800 655 500

- Option 1 for sales and service
- Option 2 for 24/7 fault assistance
- Option 3 for billing and queries

Or email:

sparkdirect@spark.co.nz

Representatives available Mon - Fri,
8:30am - 5pm

Your Business Development Managers

We have specialists around the country. They're happy to visit you and talk about how our technology can help your business.

DREW KONELIO

I want to help customers find their business edge through harnessing the rapid increase of innovation that NZ is experiencing in ICT and telecommunications. My role is to understand the importance of a customer's business needs to provide a resilient, full, end to end solution that is fit for purpose and future proof.

To book a meeting:

Call me on **027 209 5727** or email drew.konelio@spark.co.nz

CAMPBELL MASTERS

Many years in relationship selling has me perfectly placed to work with clients to deliver the best solution to their specific requirements. It's what you need, not what I think you need that matters. I'll work with our technical and pricing teams to ensure we provide complete solutions at the right price, and you get to deliver the results you want to your clients via that technology.

To book a meeting:

Call me on **027 433 8878** or email campbell.masters@spark.co.nz

MELISSA WILSON

I've been in Business Sales for over 20 years in a variety of industries and am extremely passionate about helping business customers navigate the complexities of ICT. This is an ever-changing digital world, and my role is to understand your business telecommunication needs and provide tools, solutions and add value so your business can thrive and succeed.

To book a meeting:

Call me on **022 200 0263** or email melissa.wilson@spark.co.nz

ANU SUVARNA

I want to help customers discover their ICT needs, enabling them to establish a competitive edge in the market. My aim is to make sure you're equipped with the latest digital tools and solutions, which will help your business achieve its maximum potential.

To book a meeting:

Call me on **022 353 7786** or email anurag.suvarna@spark.co.nz

What people are saying

"I got my new phone today and just wanted to say thank you for looking after my team. You certainly know your stuff!"

"Wonderful response from Justin from Spark - very efficient and helpful - phone delivered and set up yesterday."

"Alex has been an absolute superstar with his customer service, knowledge and support."
