

## Business insurance that works for you

Our insurance partner, Crombie Lockwood have been helping New Zealanders protect what's important for over 40 years. Their team of insurance professionals have become trusted experts in a number of sectors including fuel retail, workshops and associated businesses. We partnered with them over 15 years ago to help Red Circle members secure the best insurance deals around.

### Cover tailored to your needs, such as:

- Pollution Liability & Contamination insurance – protecting your business and your duties of care in the case of gradual contamination
- General covers – for your equipment and stock; even your stored fuel is covered
- Full Mechanical Workshop insurance – to cover WOF liability as required by NZTA. Employee tools can also be included for added peace of mind
- Cyber insurance – to help your business recover in the aftermath of a cyber-attack; a risk that is on the increase
- Employment Dispute cover – provides cover for legal defence and reparations when dealing with disgruntled staff

### Why Crombie Lockwood?

- ✓ Value for money  
Using our national and international scale we leverage the best terms at a competitive price so you can secure all the cover you need and none of what you don't
- ✓ Switching to Red Circle member insurance is easy, our dedicated team take care of it for you
- ✓ Red Circle central billing or convenient pay monthly options help you maintain cash flow
- ✓ 24/7 claim support
